

AT THE PRODUCER OF LIQUID FOOD

KEEPING IT SIMPLE

The Ecolean manufacturing process, from start to finish, follow our philosophy of keeping it simple.

Ensuring you reliable and cost-effective filling machines, lean operation and unique lightweight packaging, standing out on the store shelf.

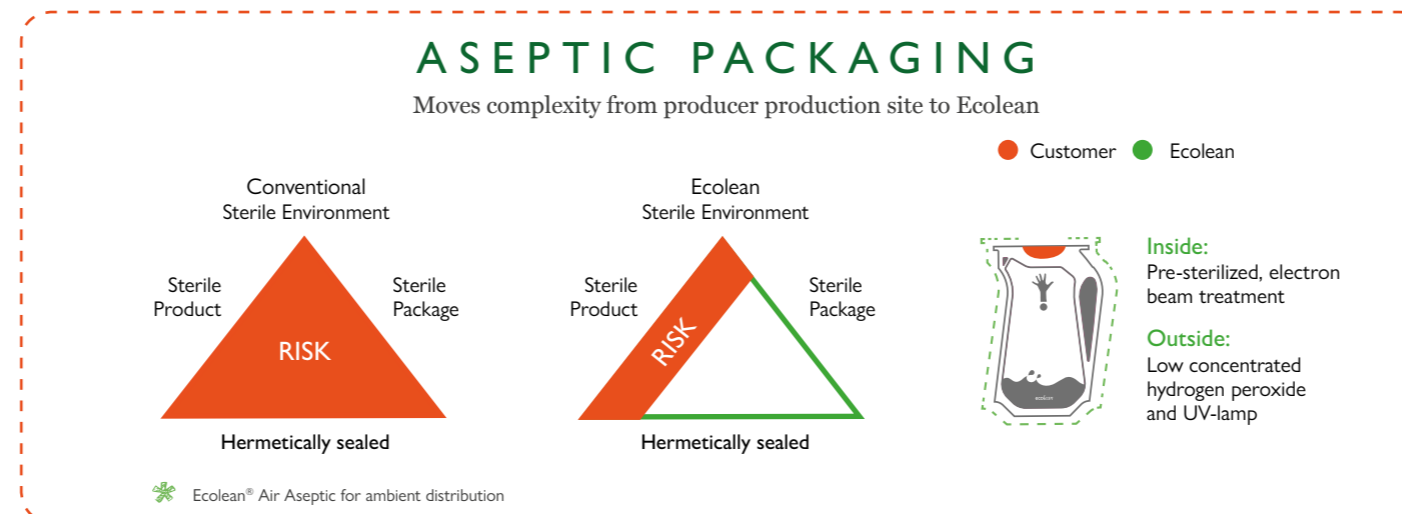

AT ECOLEAN MANUFACTURING SITE

WELCOME TO A LIGHTER WORLD

Ecolean develops and manufactures innovative packaging systems for the liquid food industry.

We're a fast-growing innovator and producer of lightweight packages serving well over 30 countries with a new, proactive way of doing business.
